Part # for CF52 case: *TBC52AOCS-P*

New Design!

Optional accessory

The Toughmate Always-On 53 Case is designed to provide rugged, full-time protection for your Toughbook 53. Included shoulder strap offers ease in transportation. Toughbook 52 case also available while supplies last.

Features and Benefits:

- **Protective**
  Rugged case materials protect against scratches and dents
- **Convenient**
  Full port access is provided without ever needing to remove your Toughbook from the case
- **Accessory Storage**
  Pockets provide room for your power brick, media devices, and other essential accessories
- **Mobile**
  Optional Toughmate User Harness accessory (shown left) provides genuine mobility by allowing you to hold the 53 completely hands-free:
